*Uncover the mystery...*

Founded from the profound passion for all things Asian, Asian Gifts is one of the leading online retailers and wholesalers for Asian jewelry, fashion, furniture, incense and much more. Created by Preeya Disyanan, Asian Gifts is the sister company to the popular Golden Triangle boutique in South Florida. Opened 7 days before September 11, 2001, The Golden Triangle has from the beginning, been an exotic and tranquil refuge from the madness of daily life. Hailing from Southeast Asia, Golden Triangle's knowledgeable and charming owner, Preeya Disyanan, sought to fill the void in South Florida for a place that was much more than just another store. For people unable to travel to Asia, Preeya wanted to provide a taste of the best that Asia had to offer by creating a sophisticated and contemporary ambiance where shopping for the most unusual treasures would feel like an alluring journey of the senses.

Asian Gifts boasts everything from intricately carved stone and wood statues, hand-woven silk throws, Feng Shui good luck charms to aromatic incense, gold urns, throw pillows, Asian inspired clothing, shoes, jewelry, Indian bindhis, children's jewelry and jewel boxes, music CD's and far more.
